

# COUNTRY CLUB BY AROMA RETAIL

A flashback to the vintage classic American country club with juicy pre-dried nicotiana leaves, nicotiana flowers, and leather, complemented with woody amber and just a hint of muguet and bergamot. This scent is old-school swagger!

A country club is a privately owned club, often with a membership quota and admittance by invitation or sponsorship, that generally offers both a variety of recreational sports and facilities for dining and entertaining. Country clubs were founded by upper-class elites between 1880 and 1930. By 1907, country clubs were claimed to be "the very essence of American upper-class."
